///SPEEDGROUP

Speedgroup administers the FIA European Drag Racing Championship (the official European Championship for cars). In March 2011, Speedgroup incorporated NDRS Drag Racing Series and SDL Swedish Drag Racing League in Speedgroup's operations. In 2012 the series developed into the EDRS European Drag Racing Series, which is now Europe's biggest drag racing series with races in eight countries. Please read more on our website www.speedgroup.eu - click EDRS logo in the upper right corner to enter the web pages about EDRS European Drag Racing Series!
